## REGIONAL QUALITY ASSURANCE EVENT (RQA) North Wales

**Thursday 3<sup>rd</sup> October 2019**  
**The OpTIC Centre, St Asaph**  
**09:00 – 12:00**

The Revalidation Support Unit (RSU) would like to take this opportunity to invite both primary and secondary appraisers to attend one of this year's RQA events.

This is a unique chance to review appraisal summaries within primary and secondary care with the ability to consider good practise and quality indicators and identify opportunities for improvements to the composition of summaries.

### RQA Calibration Exercise

Please note you will be required to complete a calibration exercise prior to attending this event if you have not attended previously.

You can access the calibration exercise here:

### Booking Information

This year, RQA will be a half-day event dedicated to networking and reviewing anonymised appraisal summaries against a scoring criterion. Refreshments and a buffet lunch will be provided on the day.

**To book your place, please visit:**
